

Wahab Sekinat Omosalewa

PRODUCT DESIGNER

sekinatwahab05@gmail.com · +234 704 050 9708
Ibadan, Oyo State, Nigeria
github.com/Queenah005 · linkedin.com/in/wahab-sekinat-0a41a2220

Product designer focused on UI/UX design, user-centered problem solving, and digital product strategy. Experienced in turning ideas into clear user flows, wireframes, and polished interfaces in Figma — from brand identity and design systems to app and mobile prototypes.

EXPERIENCE

Product Designer — Elyon Labs 6 months
elyonlabs.org

Graphics Designer and Computer Instructor Intern — Unicorn Technology Limited Jun 2020 – Jan 2021
Ibadan, Oyo

- Designed invitation cards, calendars, and business cards using CorelDRAW
- Taught computer literacy fundamentals to secondary school students
- Resolved customer complaints and followed up to ensure satisfaction

SELECTED PROJECTS

Green Circle Market 2026
Brand identity and design system for a nature-inspired marketplace brand — logo, wordmark, color and type system, designed end-to-end in Figma.

Figma Brand Identity Design System
